Rob Lawes Entertainments, a premier full time service recommended by leading Wedding venues.

Specialising in stylish professional Wedding entertainment. Exceptional value, our prices are very competitive with other operators offering a similar high end level of service.

Using a handful of talented DJ's that are from a nightclub background. A far cry away from that tacky 'Mobile Wedding Disco' everybody dreads.

Our company is VAT registered, fully insured meeting all the requirements enforced by hotels and Wedding venues.

Stunning Wedding DJ and Lighting Service

Our Story

With over 25 years experience in the industry, Rob Lawes Entertainments offer a comprehensive and reliable service. With a reputation for exceeding all expectations, the team will create the show stopping atmosphere your celebration deserves. Multi-award winning company founder, Rob Lawes, has personally selected a small team of talented and expert DJs that are available to hire for your big day. Each DJ has an extensive range of popular music and floorfillers, ensuring your guests are up and dancing until the very last song. Our setups are contemporary and stylish, with the highest quality sound and lighting equipment that will fit in with and enhance your venue. Rob Lawes Entertainments guarantee to make your evening entertainment a memorable experience for you and your guests.

Ceremony Music
PA and Control

This separate PA system will be discreetly positioned at the back of your ceremony area. It's a great idea if you would like your personal music played on cue during this important part of the day. Our Wedding DJ/Host would control the music and volume levels thus removing any worry and responsibility from family, friends or the venue staff. We can also guide you in the planning stages up until your Wedding with musical suggestions for the prelude, processional, interlude and recessional parts of the Ceremony. A microphone and stand can also be included for any planned readings.

Wedding Ceremony Music, PA and Control can be added to any Dinner & Dance DJ Package.

From £125.00
